PROTECTION

BLACK SUMPGUARD

Part No. KXA00299

Add a layer of protection to your Twin 650 engine with the Sumpguard.

The Sumpguard provides essential protection to the engine from dirt and debris off the front tyre, or through bottoming out whilst dropping off the edges of kerbs.

The heavy duty pressed aluminium plate is brushed and hard anodised to give a durability in the harshest conditions, with a centered Royal Enfield branding. Mounting brackets incorporate rubber isolation to dampen vibrations and enable quick removal using standard tools for cleaning.

SILVER SUMPGUARD

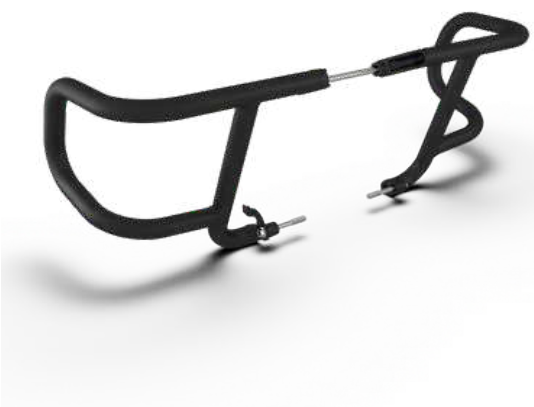

Part No. KXA00289

BLACK AIRFLY EVO ENGINE GUARDS

Part No. KXA00340

The Airfly Evo Engine Guard comes with a more simplified and classy design that fits perfectly on to the motorcycle for ease during cruising. Also giving the motorcycle a distinct look while adding a layer of protection. Precisely engineered from a 29mm stainless steel tube for a perfect fit. The black version comes with a metallic satin powder coating and the silver version comes with a polished silver finish.
The premium laser etched branding on the upright provides an added personalised touch to the motorcycle.

SILVER AIRFLY EVO ENGINE GUARDS

Part No. KXA00341

BLACK COMPACT ENGINE GUARDS

Part No. KXA00342

Cruise through the crowd with ease. Add a layer of protection to the upper engine area without compromising on style. The Compact Engine Guard is precisely engineered from 29mm stainless steel tubes for a perfect fit. The black metallic satin powder coating makes it super durable and levels up your style. The laser etched Royal Enfield branding on the upright gives a personalised touch giving your bike the perfect cruiser look.

SILVER COMPACT ENGINE GUARDS

Part No. KXA00343

BLACK OCTAGON ENGINE GUARDS

Part No. KXA00301

Get top-notch protection and style with the Octagon engine guard. Made from durable 28.6 mm stainless steel tubes, these corrosion-resistant guards offer lasting performance. These Octagon engine guards come with premium powder-coated finish and feature a discrete laser-etched Royal Enfield branding on the vertical bars, combining sturdy protection with refined elegance. Also available in polished stainless steel (KXA00300).

BLACK OIL COOLER GUARD

Part No. 1990558

This Oil Cooler Guard gives a layer of protection to the delicate oil cooler fins from debris kicked up from the road. Made of pressed Aluminium, it comes with brushed alloy finish and laser etched Royal Enfield branding offering an aesthetic change and quality improvement from the stock guard.

SILVER OIL COOLER GUARD

Part No. 1990556

BULLET 650 TWIN

CONTROLS

BLACK ROUND MIRRORS

Part No. KXA00435

Royal Enfield mirrors are fully homologated, making them valid replacements. Crafted with forged and machined aluminum stems, they provide both strength and stability, ensuring a reliable and stylish upgrade for your ride.

BLACK ROUND BAR END MIRRORS

Part No. KXA00461

Bar end mirrors provide a wider mirror position, offering a better view of the road behind and increased stability compared to the OE mirror. With quality improvements through aluminum construction, concentric laser-etched Royal Enfield branding, and a black anodized finish, they also enhance styling with a racier appearance. These mirrors can be clamped to the handlebar end where space is available or by using a model-specific bar end adaptor where necessary.

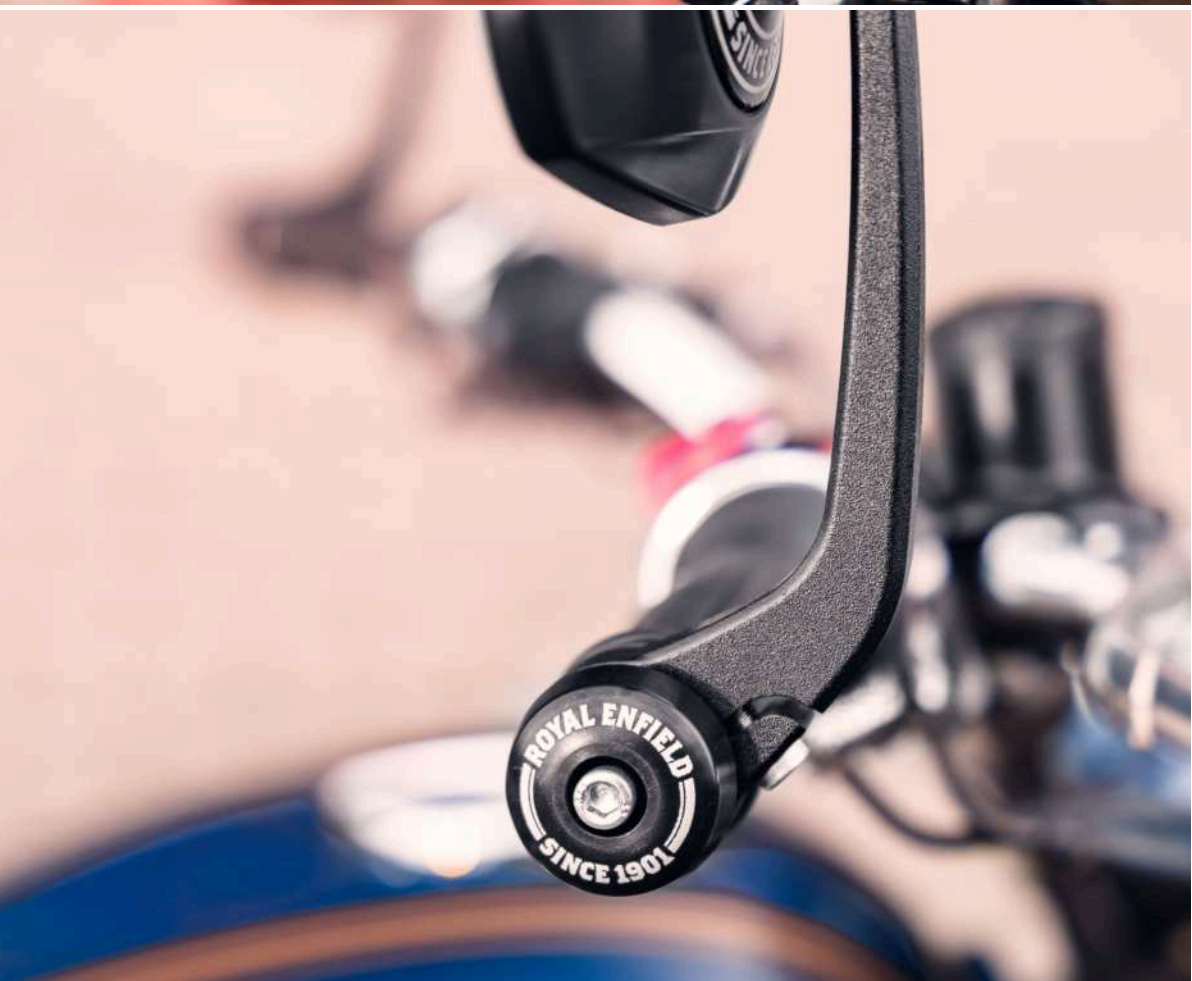

BAR END MIRROR MOUNTS

Part No. KXA00277

They have been forged and machined with aluminium stems to offer strength and stability.

BLACK TAPERED MIRRORS

NEW ARRIVAL

Part No. KXA00276

Look back in style on every cruise. Fully homologated Mirrors that have been cast and moulded with aluminium stems, offer enhanced strength and stability on long hauls.

The Teardrop shape is exquisitely sculpted with laser-etched Royal Enfield branding, offering a wider field of visibility for a better view of the road behind you.

NEW ARRIVAL

BLACK TAPERED BAR END MIRRORS

Part No. KXA00281

Look back in style on every cruise. Fully homologated Bar End Mirrors that have been cast and moulded with aluminium stems, offer enhanced strength and stability on long hauls.

The Teardrop shape is exquisitely sculpted with laser etched Royal Enfield branding, offering a wider field of visibility for a better view of the road behind you.

Requires KXA00277 Bar End Mirror Mounts
This style also available as Touring Mirrors, KXA00276

BLACK BAR END FINISHERS

Part No. KXA00271

Give your motorcycle that finishing touch with these handlebar finishers. They are machined from billet aluminium, black anodized for durability and come with laser-etched Royal Enfield branding for style.

BLACK DELUXE RIDER FOOTPEGS

Part No. KXA00331

Glide through the highways your way. Add more comfort on long rides with forged aluminium foot pegs.

The rubber inserts isolate vibrations with their specific bayonet-style mounting design. A machined band around the top surface gives a final touch of quality and style to match your Bullet 650.

KXA00250 BLACK DELUXE PILLION FOOTPEGS are available separately

BLACK DELUXE PILLION FOOTPEGS

ROYAL ENFIELD

SEATS

TOURING DUAL SEAT

NEW ARRIVAL

Part No. KXA00308

The Touring seat offers an improved aesthetic and a greater perceived quality in comparison to the standard seat, while maintaining the same mounting specifications. It is designed to provide enhanced comfort for both the rider and pillion during extended journeys. The distinctive cushion profile and vinyl patterns are complemented by specialized stitching, giving the seat a premium feel, all of which contribute to the seat's superior overall quality.

BLACK PASSENGER BACKREST PAD

NEW ARRIVAL

Part No. KXA00338

The black backrest pad is designed to provide lumbar support for the pillion passenger and is mounted to the passenger backrest mounts. Crafted using the same cut & sew method as the seats themselves, offering a perfect match to both Touring and OE seats
Also available in brown (KXA00339)

*Passenger Backrest Mounts (KXA00322 or KXA00333) are required and are available separately

PASSENGER BACKREST RAILS

NEW ARRIVAL

Part No. KXA00333

Designed specifically for your Bullet 650, the Passenger Backrest Mounts provide a sturdy structure to attach the Backrest Pad. It also acts as grab rails to the pillion seat (after replacing the original grab rail). Made from 21 mm hardened steel tube and finished with a black metallic powder coating, these mounts seamlessly blend with the style of your Bullet 650.

*Requires KXA00338 Black Passenger Backrest Pad or KXA00339 Brown Passenger Backrest Pad

CONTROLS

BLACK DELUXE RIDER FOOTPEGS

Part No. KXA00331

Glide through the highways your way. Add more comfort on long rides with forged aluminium foot pegs. The rubber inserts isolate vibrations with their specific bayonet style mounting design. A machined band around the top surface gives a final touch of quality and style to match your Shotgun 650.

KXA00250 BLACK DELUXE PILLION FOOTPEGS are available separately

BLACK DELUXE PILLION FOOTPEGS

Part No. KXA00250

BLACK ROUND BAR END MIRRORS

Part No. KXA00461

Bar end mirrors provide a wider mirror position, offering a better view of the road behind and increased stability compared to the OE mirror. With quality improvements through aluminum construction, concentric laser-etched Royal Enfield branding, and a black anodized finish, they also enhance styling with a racier appearance. These mirrors can be clamped to the handlebar end where space is available or by using a model-specific bar end adaptor where necessary.

RECOMMENDED ACCESSORY

BLACK ROUND MIRRORS

Part No. KXA00435

Royal Enfield mirrors are fully homologated, making them valid replacements. Crafted with forged and machined aluminum stems, they provide both strength and stability, ensuring a reliable and stylish upgrade for your ride.

BAR END MIRROR MOUNTS

Part No. KXA00277

Designed bespoke for the Bar End Mirrors, these Machined Adapters will simply replace the OEM bar end finishers to provide the required mounting surface for the Bar End Mirrors to clamp to.

*1990401 & KXA00276 Bar End Mirrors are available separately

BLACK BAR END FINISHERS

SEATS

DELUXE TOURING DUAL SEAT KIT

Part No. KXQ00036

Kit includes;

Deluxe Touring Dual Seat
Passenger Backrest Mounts
Passenger Backrest Pad

Combining the Deluxe Touring Seat, Backrest & Pad into a single kit, this will give you a Deluxe Touring package for your Super Meteor with the upmost comfort.

The seat brings a better ergonomic form which follows the contours of the rider and a greatly increased seating area for the passenger, which work together with a foam density optimised through testing and a bespoke designed dual seat base, to give a noticeable difference in both positions. The Backrest & Pad provide lumbar support for the passenger and a set of side mounted hand-holds which both seamlessly integrate with the premium styling of the Super Meteor 650 and elevates it to the next level in terms of comfort.

ROYAL ENFIELD

BLACK PASSENGER BACKREST MOUNTS

Part No. KXA00206

Styled to suit your Super Meteor 650, the Passenger Backrest Mounts provides a mounting structure for the Black Backrest Pad. Made from cast aluminium and finished in a black metallic satin powder coat, it seamlessly flows with the style of your cruiser. With two bolt positions available, the backrest can be tailored to suit your Stock Seat, Deluxe Touring Seat, or the preference of the passenger in order to personalise the space and ergonomics it offers.

Requires KXA00208 Black Passenger Backrest Pad.

BLACK TALL PILLION SEAT

Part No. KXA00334

The 'comfort passenger seat' offers superior cushioning for an enhanced cruising experience for the 'pillion rider' on long rides. It continues to sport a seamless design that complements the overall retro styling of the Super Meteor.

BLACK PASSENGER BACKREST PAD

Part No. KXA00208

Crafted to suit the Super Meteor 650, the Passenger Backrest Pad combines with the Backrest Mounts to provide the passenger with a comfortable lumbar support on long cruises.

Requires Black Passenger Backrest Mounts (KXA00206).

ROYAL ENFIELD

BODYWORK

TOURING SCREEN

Part No. KXA00224

Cruise through the wind. Equip your Super Meteor 650 with a Touring Screen to reduce fatigue and give you a clear view of the road ahead on long cruises. This hard-coated, injection-molded screen is scratch resistant and comes with a subtle Royal Enfield branding.
The pressure reduction vents help prevent low pressure areas behind the screen contributing to buffeting.
A triangulated mounting kit is included and ensures the screen blade is positioned perfectly.

SILVER SOLO FINISHER

Part No. KXA00222

Get a solo rider look, replace your Passenger Seat with this brush finished solo finisher. It mounts to the same bolt holes as the passenger seat, covering them up and adding to your Super Meteor's cruiser persona.

BLACK BAR END FINISHERS

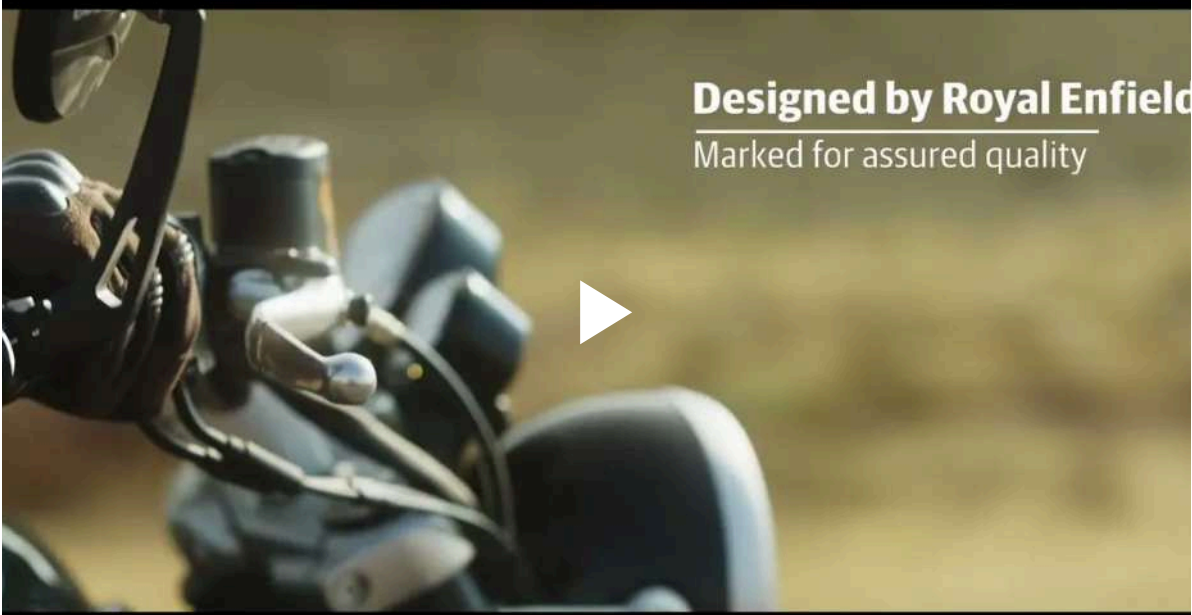

Part No. KXA00271

Give your Super Meteor 650 that finishing touch with these handlebar finishers. They are machined from billet aluminium, black anodized for durability and come with laser-etched Royal Enfield branding for style.

SEATS & COWLS

TOURING DUAL SEAT, BLACK

Kit No. 1990482

Who says practicality can't be stylish?

This new breed of Touring seat uses thicker foam for extra comfort and to evenly distribute weight for increased comfort over long distances. A classic ribbed vinyl together with white piping and a stitched logo at the rear will give your motorcycle a premium, vintage look.

Compatible with Interceptor 650 only.

SIGNATURE BENCH SEAT, BROWN

Kit No. 1990481

For the Custom Look.This Brown Signature Bench seat is quilted and stitched for a premium feel. A thin, flat profile gives your motorcycle a new sense of style and the stitched Royal Enfield logo at the rear finishes it off nicely.

Compatible with Interceptor 650 only.

BLACK DELUXE TOURING DUAL SEAT

Kit No. 1990472

The new Black Deluxe Touring Seat takes comfort to a whole new level. This seat has been designed with comfort purely in mind. Dual density foam and 3D net are moulded onto a new wider seat base that increases the sit bone width by 33% over the stock seat. Featured silver stitching and an embroidered RE logo to add more premiumness to the seat.

TOURING DUAL SEAT, BLACK

Kit No. 1990489

Who says you can't be practical and stylish at the same time?

This new breed of Touring seat is designed to give more comfort on longer journeys. It uses soft-touch material to improve the feel of the ride and also comes with 3D net technology which distributes weight evenly as you sit across the saddle. Red stitching and subtle Royal Enfield branding lend it a touch of style so that when you pair it with the Dual Seat Cowl (available separately) you can bring in-line with the café racer's DNA.

Compatible with Continental GT 650 only.

BLACK TOURING RIDER SEAT

Kit No. 1990426

vMake your motorcycle look like a true café-racer. Just like our touring seats, this single seat also comes with 3D net technology. It offers more comfort by distributing weight evenly as you sit across the saddle. Pair it with the Single Seat Cowl of the same colour (available separately) and add on the Solo Rider Finisher Kit (available separately) to bring in-line with the café racer's DNA.

Compatible with Continental GT 650 only.

TOURING RIDER SEAT, BLACK

Kit No. 1990495

Make your motorcycle look like a true café-racer.

This new breed of Touring Single Seat uses soft-touch material to improve the feel of the ride and also comes with 3D net technology which offers more comfort by distributing weight evenly as you sit across the saddle. Red stitching finishes off the styling nicely so that when you pair it with the Single Seat Cowl (available separately) you can bring in-line with the café racer's DNA.

Compatible with Continental GT 650 only.

SINGLE SEAT COWL

Step into the classic café racer lifestyle. Add the colour co-ordinated painted seat cowl to the Single Seat Rider.

BLACK SIGNATURE BENCH SEAT

Part No. KXA00139

The Signature Bench seat brings an element of retro, stripped down style to your motorcycle, especially when used in conjunction with the KXA00142 Tail Tidy. The soft-touch ribbed vinyl and bench styling elevate your Hunter 350 and the saddle forms a more ergonomic shape around which to feel closer to the riding experience.

BLACK CUSTOM SEAT

Part No. KXA00140

The Custom seat is a more sporty iteration of the Stock seat styling, but brings with it a refinement in quality as well. It has a narrower profile and tighter back end to improve the aesthetic, but these are combined with plush finish and 3D net technology to provide a comfort improvement as well. Red stitching finished this seat off nicely and draws a parallel with the iconic Royal Enfield Cafe Racer seat styling.

When combined with the KXA00142 Tail Tidy, this Custom seat will provide a significantly sportier aesthetic and feel to your Hunter 350.

BLACK LOW RIDE DUAL SEAT

NEW ARRIVAL

Part No. KXA00631

The Black Low Ride Dual Seat lowers the seat height by 21mm while maintaining ample foam thickness to ensure even weight distribution and long-lasting comfort on extended rides. Designed to be waterproof, it also features a heat-embossed Royal Enfield logo, adding a touch of style and authenticity.

BLACK PASSENGER BACKREST MOUNTS

AIRFLY ENGINE GUARD, BLACK

Part No. KXA00001

AIRFLY ENGINE GUARD, SILVER

Part No. KXA00002

Add protection to your ride with the Airfly engine guard. Made from a 32mm steel tube, it is corrosion-resistant and engineered for a perfect fit. With the horizontal tubes following the same lines as the tank and a slash-cut upright tube finished with a branded insert, it offers maximum protection in an authentic style.

AIRFLY EVO ENGINE GUARD, BLACK

Part No. KXA00003

AIRFLY EVO ENGINE GUARD, SILVER

Part No. KXA00004

Give your motorcycle a distinct look while adding a layer of protection with the Airfly Evo engine guard. Made from a 32mm steel tube, it is corrosion-resistant and precisely engineered for a perfect fit. The lighter and simpler design makes it an ideal choice for easy riding while having a modern look.

TRAPEZIUM ENGINE GUARD, BLACK

Part No. KXA00007

TRAPEZIUM ENGINE GUARD, SILVER

Part No. KXA00008

Go for bigger adventures with the added protection and unique angular styling of the Trapezium engine guard. Made from a 32mm steel tube, it comes with dual powder coating for corrosion resistance. It is precisely engineered to fit, and comes with contemporary Royal Enfield branding.

OCTAGON ENGINE GUARD, BLACK

Part No. KXA00005

OCTAGON ENGINE GUARD, SILVER

Part No. KXA00006

Add a layer of protection and style with the smooth lines of the Octagon engine guard. Made from a 32mm steel tube, it comes with a dual powder coating for corrosion resistance. It is precisely engineered to fit, with contemporary Royal Enfield branding.

BROWN FOOT CONTROL RUBBERS

Part No. KXA00183

Experience unparalleled comfort and control with our top-of-the-line foot control rubbers. Designed for both performance and durability, they ensure a secure grip and superior feel, making every ride smoother and more enjoyable.

BROWN HANDLEBAR GRIPS

Part No. KXA00189

Upgrade your riding experience with our custom brown motorcycle handlebar grips. Crafted from premium, high-durability materials, these grips offer both a stylish and comfortable upgrade. The rich brown finish adds a classic touch to your bike, while the textured surface ensures a secure, non-slip hold. Brown inspirational kit: mention all relevant brown parts.

BLACK ROUND BAR END MIRRORS

Part No. KXA00461

Bar end mirrors provide a wider mirror position, offering a better view of the road behind and increased stability compared to the OE mirror. With quality improvements through aluminum construction, concentric laser-etched Royal Enfield branding, and a black anodized finish, they also enhance styling with a racier appearance. These mirrors can be clamped to the handlebar end where space is available or by using a model-specific bar end adaptor where necessary.

BAR END MIRROR MOUNTS

Part No. KXA00277

Designed bespoke for the Bar End Mirrors, these Machined Adapters will simply replace the OEM bar end finishers to provide the required mounting surface for the Bar End Mirrors to clamp to.
*1990401 & KXA00276 Bar End Mirrors are available separately

BLACK ROUND MIRRORS

Part No. KXA00435

Royal Enfield mirrors are fully homologated, making them valid replacements. Crafted with forged and machined aluminum stems, they provide both strength and stability, ensuring a reliable and stylish upgrade for your ride.

ROYAL ENFIELD

BLACK TOURING MIRRORS

Part No. 1990454

TOURING RIDER SEAT, BROWN

Part No. KXA00070

The all-new Touring Rider seat with dual-density foam offers more support and confidence to the rider. Also, the use of 3D net technology evenly distributes weight while adding to the comfort. The ribbed vinyl gives a luxurious style to the seat, while the piping, additional stitching and embossed logo add to the premium nature of this seat. Also available in black.

*Brown Touring Passenger Seat KXA00072 is available separately.

TOURING PASSENGER SEAT, BROWN

Part No. KXA00072

The Touring Passenger seat comes with a bespoke cushion that gives maximum support on long rides. Its dual-density foam controls the comfort with an upper, open-cell layer combined with 3D net technology to evenly distribute weight and iron out high-stress spots. This is laid over a firmer main body of foam to provide more support. The seat surface has a luxurious feel with the ribbed vinyl. The piping, stitching and embossed logo add to the classic nature of the seat. Also available in black.

*Brown Touring Rider Seat KXA00070 is available separately.

RIDER SEAT SPRING KIT, SILVER

Part No. KXA00080

Give your seat a vintage look with the rider spring seat kit. The springs mount underneath the accessory or stock rider seat to enhance the authentic style.

REAR RACK, BLACK

Part No. KXA00091

Keep your motorcycle ride-ready with this black-powder coated luggage rack. Made from a 16mm steel tube, it is versatile, and corrosion-resistant. It mounts behind the passenger seat and includes an integrated grab handle for the passenger.

Load Limit: 3Kg

TOURING RIDER SEAT, BLACK
